Celebrations & events

Our venue, your celebration

Providing flexible, contemporary and competitively priced rooms, the Oakwood Centre is positioned within the beautiful surroundings of Woodford Park, in the heart of Woodley. The attractive and modern building provides a stylish backdrop with the opportunity to extend your celebration to the external spaces and take advantage of the natural beauty of the park.

The venue

The modern centre offers bespoke packages for celebrations and events for up to 150 people in its flexible function rooms, whether you are looking for a modern space to celebrate a christening, anniversary or special birthday.

Windows occupy one entire wall of each room, offering views over Woodford Park. All rooms are decorated in neutral tones, providing the ideal backdrop to design and customise, creating the perfect style for your perfect day – whether you require a formal seated dinner, an informal drinks reception or space for a dance floor. The Miles Suite, for smaller or more intimate celebrations, is particularly elegant, flooded with natural light from full length windows on three sides and from a roof light set in to the high ceiling.

Our professional team will work with you to ensure your celebration runs smoothly, configuring the venue to suit your requirements. With no need for you to set up or clear down, you are free to enjoy your event.

The menu

To create the perfect menu, tailored to your party needs, we can provide in-house catering by local caterers Brown Bag, who will work with you to design the perfect menu to suit your budget and dietary requirements, whether you require a seated meal, afternoon tea or informal buffet.

We can also provide a fully licensed bar facility, if required. Alternatively, you may bring in your own professional caterers.
